Application Form

- **Application Date:** 00 00, 0000
- **To:** Kabul Polytechnic University - HR
- **Position:** Graphic Designer
- **Vacancy NO:**

Dear. Mr./Mrs./Ms.

I am writing to you to express my interest in the **Announced** position currently available at (**Kabul Polytechnic University - HR**). I believe that I am an excellent fit for this position because I have completed my higher education from Computer Science Faculty (Department of Information Systems) of Kabul Polytechnic University, got several workshops with more than **(Two)** years' work experience in (**Software Engineering, Web Designing and Development, Graphic Designing, Data Analyzing & Management**).

In the job description for the position that (Graphic Designer), there were some requirements that stood out to me.

I am able to work in mentioned post for our people, because I have enough coordination, (Software Engineers, Development, Graphic Designing, Data Analysis & Management, Organization Management and others...).

I believe that after you have reviewed my Application Form and Curriculum Vitae you will see that I possess an excellent skill set which matches your requirements perfectly. If you have any further questions or require additional documentation, please feel free to contact me. Thank you for your time and consideration.

Respectfully

Abdul Qadir Nasrat
